8. SEO Description

What We Provide

1. Website Content is Should Dynamic
2. Create an Admin Panel for where you can change website content.

The screenshot displays an admin dashboard with a dark sidebar navigation menu on the left. The main content area features a top navigation bar with 'Dashboard Control panel' and a breadcrumb 'Home > Dashboard'. A green notification banner states 'You have successfully login'. Below this, there are six summary cards: '11 Total User', '2 New Orders', '2 Orders Received', '2 Orders Delivery', '1 Orders Cancel', and '16 Total Products'. Each card includes a 'More info' link. The dashboard also contains four tables: 'Latest Orders', 'Shipping Orders', 'Delivery Orders', and 'Cancel Orders'. Each table has columns for Order ID, Total Item, Order Status, User Name, and Action.

Order ID	Total Item	Order Status	User Name	Action
OD-7	1	Booked	Bhavesh T	View
OD-5	1	Booked	Mohd Sameer	View

Order ID	Total Item	Order Status	User Name	Action
OD-4	1	Shipping	Mohd Sameer	View
OD-2	1	Shipping	Mohd Sameer	View

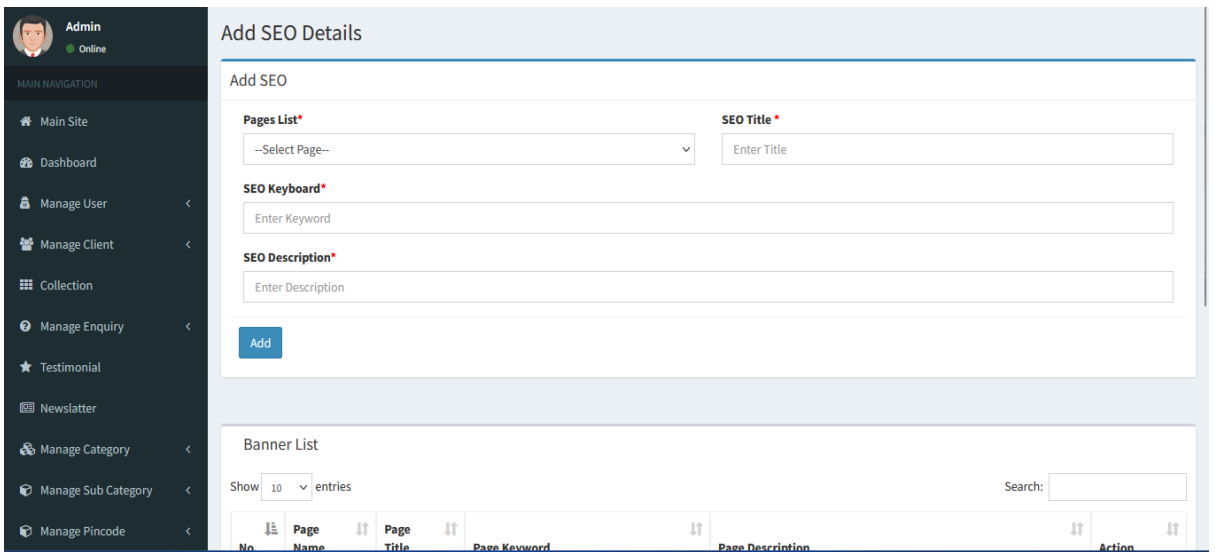

Order ID	Total Item	Order Status	User Name	Action
----------	------------	--------------	-----------	--------

Order ID	Total Item	Order Status	User Name	Action
----------	------------	--------------	-----------	--------
